

## First Aid

### HLTCPR201A (Perform CPR) & HLTF301B (Apply First Aid)

**Perform CPR** – The course is designed to teach the knowledge and skills necessary to maintain breathing and circulation in an adult, child or infant following cardiac arrest. Content is based on Australian Resuscitation Council 2006 guidelines.

**Apply First Aid** – This unit of competency describes the skills and knowledge required to provide first aid response, life support, management of casualty(s), the incident and other first aiders, until the arrival of medical or other assistance. This course was previously known as Senior First Aid, Workplace Level 2 or Level 2 qualification. This is the advised minimum requirement by Workplace Health & Safety Legislation for the workplace first aider.

**Participant's competency in HLTF301B Apply First Aid will be tested on their ability to:**

- Assess the situation
- Apply first aid procedures
- Communicate details of the incident
- Evaluate own performance

#### Award

On successful completion of the HLTF301B Apply First Aid course, the participant will receive a statement of attainment, which is valid for 3 years. As per the Australian Resuscitation Council guidelines the HLTCPR201A Perform CPR unit needs to be completed every 12 months
